

Dear PNC INC. (Q000009242),

This e-mail is to inform you that Lockheed Martin Missiles and Fire Control (MFC) has approved your organization for the following location and process:

PNC INC. (Q000009242)
115 E CENTRE ST
NUTLEY, NJ, 07110-3400

Approval Code Description	Approval Code	Specification Number	Revision Level	Status
REQUIREMENTS FOR SOLDERED ELECTRICAL AND ELECTRONIC ASSEMBLIES CLASS 3	ELZE001003	IPC J-STD-001	H	Approved
ELECTROSTATIC DISCHARGE CONTROL PROGRAM FOR PROTECTION OF ELECTRICAL	ELZNS20200	ANSI/ESD S20.20	2021	Approved

The above approvals will expire on: 11/07/2026

Note: J-STD-001 has 1 minor finding, please ensure timely closure of SCAR #400055808, for questions contact [@Brandenburg, Philip S \(US\)](#).

The scope of this approval is being issued by the MFC business area of Lockheed Martin. Procurements performed for other business areas of Lockheed Martin not limited to Aeronautics, Space Systems, Rotary and Mission Systems (RMS) and LM Sikorsky may require additional surveys and/or requirements to be met.

Any changes in process, equipment, certified personnel, location and/or management used to gain approval for this process should be notified to the Buyer's Procurement Representative.

Best Regards,

Lockheed Martin MFC
Central Supplier Quality
